

The map displays a complex cadastral layout with numerous land parcels, each identified by a unique number. The parcels are color-coded: green for agricultural or forested land, yellow for residential or commercial areas, and blue for water bodies. Red text labels are overlaid on the map, indicating various land use codes and parcel numbers. The area is divided into several sections, with 'Má' (Municipal) and 'Ev' (Evangelical) labels prominently displayed. The map includes a grid of parcel numbers and street names like 'Kankalin utca', 'Zalkó utca', and 'Dényes utca'. A blue line represents a water body, likely a river or stream, running through the lower part of the map.
